

Scoil Mhuire, Trim Attendance Policy

Core Values

Our core values are embedded in the Mercy philosophy of education.

We value each individual within our school community through the promotion of respect for all, ensuring a holistic and person-centred education, by striving for excellence in learning and encouraging students to use and share their talents to their full potential. We pride ourselves on a friendly, caring atmosphere which is rooted in excellent student-teacher relationships.

Mission Statement

Scoil Mhuire seeks to provide a quality education for all its students in a challenging and positive environment.

We are committed to holistic development and to the achievement of the full potential of each student, particularly those who are disadvantaged and marginalized.

Rationale

- Regular attendance and active participation in school life enhances the learning experience.
- Regular attendance develops a sense of community and belonging.
- The parents/guardians are the primary educators and as such are responsible for their daughter receiving the best education possible. Scoil Mhuire supports and co-operates with parents/guardians to ensure this is the case.

Application of Policy

This policy applies to all of the stakeholders in Scoil Mhuire, Trim.

Legislation

The purpose of the **Education Welfare Act 2000** is to encourage regular school attendance.

Under this act parents must inform the school if their daughter will be absent from school on a school day and the reason for the absence. In Scoil Mhuire, the written explanation must be in the school journal, signed by parent/guardian. The NEWB strongly advises against taking children out of school to go on holiday during term time.

Under the **Child and Family Agency Act 2013, TUSLA**, the Child and Family Agency is responsible for ensuring that every child in the State attends school or otherwise receives an education and for providing education welfare services to support and monitor children's attendance, participation and retention in education.

Aims

Scoil Mhuire aims to:

- develop a love of learning which means students recognise the importance of engaging with school life.
- Encourage full attendance where possible.
- Identify at-risk pupils and devise a strategy to improve attendance.
- Raising awareness of the importance of attendance among the whole school community.

Attendance

- Roll Call is recorded electronically every morning by the form teacher and registration after lunch by subject teacher.
- Staff record attendance electronically every class throughout the day.
- Medical/Bereavement/Holiday explanation absentee notes are available to all staff.
- Students absent due to school activity (sports/music etc.) ask subject teacher permission prior to leaving the school.
- Form teachers sign absentee notes on return and amend electronically. They follow up on any reasons for absence omitted and communicate where needed to the Year Head.
- Students are responsible for presenting absent notes signed by parent/guardian in their journal to the form teacher and subject teachers on return to school.
- Students arriving late or leaving early must use “sign in/sign out” book supervised by admin staff.
- Students arriving late must present a note to the Deputy Principal who accompanies them to class.
- The Year Head monitors weekly attendance, liaising with form teacher.
- The Deputy Principal monitors attendance of all students, liaising with relevant Year Heads.
- The Deputy Principal investigates any prolonged unexplained absences.
- The Deputy Principal communicates 12 days absenteeism in writing to parents/guardians in any one school year.
- The Deputy Principal has responsibility to report 20-day absences to TUSLA and parents.
- The Deputy Principal processes holiday request applications.
- Permission to leave school during school hours must be sought from Deputy Principal between 8:25-8:45 a.m. with written note from parent/guardian in the journal. Permission to leave is recorded by Deputy Principal in “sign out” book in office and parent/guardian must sign out on arrival to collect their daughter.
- Should a student need to leave the school during school hours unexpectedly, permission to do so must be sought from Deputy Principal and is recorded in student journal and sign out book.
